

Java Mini Project Titles given Below:

1. [Java Projects on A Semantic Web-Based Scientific News Aggregator](#)
2. [Java Projects on Advance Courier Service](#)
3. [Java Projects on Advance Web-based Multimedia Answer Generation](#)
4. [Java Projects on Airline Reservation System](#)
5. [Java Projects on Annotation of short texts With Wikipedia pages](#)
6. [Java Projects on As-Needed- Basis Accountability for Cloud](#)
7. [Java Projects on Attribute Key Based Data Security System](#)
8. [Java Projects on Automated Containment of Worm](#)
9. [Java Projects on Automation of IT Process Management](#)
10. [Java Projects on BPO Call Center](#)
11. [Java Projects on Call](#)
12. [Java Projects on Car Parking](#)
13. [Java Projects on Card Management System](#)
14. [Java Projects on Company Information Tracking System](#)
15. [Java Projects on citizen card system](#)
16. [Java Projects on Client Favorite Photo Search Engine on Web](#)
17. [Java Projects on Cloud Cost Management for Customer Sensitive Data](#)
18. [Java Projects on Cloud Cyber Attacks against Social Networks](#)
19. [Java Projects on Cloud Data Theft Attacks](#)
20. [Java Projects on Cloud Policy-Based File Assure Deletion](#)
21. [Java Projects on College Management System on Android](#)
22. [Java Projects on College Result Analysis with Horizontally Distributed Databases](#)
23. [Java Projects on Community Awareness](#)
24. [Java Projects on Company Information Tracking System](#)
25. [Java Projects on Consumer Sales Online Fake Product Detection and Deletion](#)
26. [Java Projects on Contracts Business Events Management](#)
27. [Java Projects on CORPORATE REQUIREMENT SYSTEM](#)
28. [Java Projects on Credit Card Management System](#)
29. [Java Projects on Crime File Management System](#)
30. [Java Projects on Cryptographic Key Exchange Authentication](#)
31. [Java Projects on CSRS](#)
32. [Java Projects on Customer Information Hiding for Data Mismanagement in Banking](#)
33. [Java Projects on Data Base Fraud Detection Systems](#)
34. [Java Projects on Data Sharing In Cloud Storage By Using Key-Aggregate](#)
35. [Java Projects on DataTheft APP](#)
36. [Java Projects on Defect analysis system](#)
37. [Java Projects on Defending against Web Application Vulnerabilities](#)
38. [Java Projects on Digital Documents Attestation Systems](#)
39. [Java Projects on Discovering the Gap Between Web Site Designers' Expectations and Users' Behavior](#)
40. [Java Projects on Disease Information Hiding on Publishing Healthcare Data](#)
41. [Java Projects on Distributed Data Integration on Electricity Board](#)
42. [Java Projects on Distribution System for Discount Sales](#)
43. [Java Projects on Dynamically Growing Online Survey for Behavioral Outcomes](#)
44. [Java Projects on E Music](#)
45. [Java Projects on Easy SQL Query for Non-IT Manager](#)
46. [Java Projects on E-care](#)
47. [Java Projects on E-Commerce Complaints](#)
48. [Java Projects on Efficient Information Retrieval Using Ranked Query](#)
49. [Java Projects on Efficient Spatial Query Processing](#)
50. [Java Projects on e-Fraud Prevention based on the Self Authentication](#)
51. [Java Projects on E-Learning](#)

52. [Java Projects on Employee Management System](#)
53. [Java Projects on Employee Resource Management](#)
54. [Java Projects on E-music world](#)
55. [Java Projects on Enabling Site Interaction In Social Community](#)
56. [Java Projects on Encrypted Data APP](#)
57. [Java Projects on Encrypted IT Auditing on Cloud Computing](#)
58. [Java Projects on Ensuring Data Storage Security in Cloud Computing](#)
59. [Java Projects on Enterprise Stock and Accounting System](#)
60. [Java Projects on E-TENDERING](#)
61. [Java Projects on E-Tutor Online Jobs](#)
62. [Java Projects on Exchange Secret Key for Data Producers and Consumers](#)
63. [Java Projects on face-to-face contact on Mobile Social Networks](#)
64. [Java Projects on Fast Web Information Gathering with Alias Detection](#)
65. [Java Projects on Feedback Decision Support for mHealth monitoring](#)
66. [Java Projects on fertilizer management system](#)
67. [Java Projects on File Security With Multi-Database System](#)
68. [Java Projects on file search engine](#)
69. [Java Projects on Game Theory for Online Security](#)
70. [Java Projects on Global Counselling System](#)
71. [Java Projects on GREEN PLANT](#)
72. [Java Projects on High and Low-Level SQL Query Executor](#)
73. [Java Projects on hotel management](#)
74. [Java Projects on Human Assurance Administration](#)
75. [Java Projects on iKnowweb Extracting and Integrating Entity Information System](#)
76. [Java Projects on Implementation and Validating Environmental and Health](#)
77. [Java Projects on Industry Standard Authorization For Sensitive Resources](#)
78. [Java Projects on Informative Content Extraction](#)
79. [Java Projects on Inter Bank Fund Transfer in Distributed Network](#)
80. [Java Projects on Key Management for Content Integration](#)
81. [Java Projects on Leave Management For MNC](#)
82. [Java Projects on Loan Online Application](#)
83. [Java Projects on Location-Based Spatial Query Processing](#)
84. [Java Projects on LOVE AND CARE](#)
85. [Java Projects on Mailing System](#)
86. [Java Projects on Management System in Metro Train](#)
87. [Java Projects on Manifold Entrust Sche](#)
88. [Java Projects on m-health](#)
89. [Java Projects on mobile banking wap](#)
90. [Java Projects on Mobile TV Quality Management](#)
91. [Java Projects on Modern Agriculture Development System](#)
92. [Java Projects on modern municipal corporation](#)
93. [Java Projects on Movie Rating and Recommendation on Mobile](#)
94. [Java Projects on Movie Recommender Systems via User- Item Subgroups](#)
95. [Java Projects on Multi New Product Survey Management \(1\)](#)
96. [Java Projects on Multicast Key Management for Cloud](#)
97. [Java Projects on Multilevel Images Authentication Systems](#)
98. [Java Projects on Nearest Shopping Location Identification Systems](#)
99. [Java Projects on ONLINE ADVERTISING SYSTEM](#)
100. [Java Projects on ONLINE AUCTION BIT](#)
